"I love learning about the interconnectedness of it all. The way the water connects the mountains to the sea and the people too"

Our goal is to empower and support communities to achieve marine and freshwater conservation through science based experiential programmes, resources, projects and community engagement. Whakamana te maunga Whakamana te wai He mauri o ngā tangata Ngā mea katoa he pai If we look after the water from the mountains to sea, it will look after us. It is our life force.
